

Take Brilliant Sound Outside with Sonos Move

The durable, battery-powered smart speaker for outdoor and indoor listening. Connect to your Sonos system over WiFi at home and stream via Bluetooth everywhere else to enjoy powerful Sonos sound on the go.

- Experience surprisingly deep bass, a wide soundscape, and automatic Trueplay™ that perfectly tunes the sound for where you are.
- Don't worry about accidental drops or unexpected weather. With a tough durable shell and IP56 rating, Move is built to withstand accidental falls, bumps, rain and moisture, dust, UV rays, and extreme temperatures.
- Enjoy brilliant sound where and when you want, with up to eleven hours of battery life. Easily recharge Move by setting it on the included power base, or get power on the go by using a compatible USB-C travel charger. Move also enters suspend mode when not in use which can preserve battery life for up to 120 hours.
- The Google Assistant and Amazon Alexa are built right in, so on WiFi you can play music, check news, set alarms, get your questions answered, and more, completely hands free.
- Listen to more than 100 streaming services controlled from the Sonos App, using voice, with Apple AirPlay 2, or direct from music service apps.
- Stream over WiFi and connect Move to the rest of your Sonos system at home. Switch to Bluetooth when you're not at home or offline.
- Available in Shadow Black and Lunar White, Move's design blends naturally with both indoor and outdoor environments while fitting seamlessly into the rest of the Sonos system.

Audio

Two Class-D digital amplifiers

Perfectly tuned to match the speaker drivers and acoustic architecture.

One downward-firing tweeter

Creates a crisp, clear high-frequency response that evenly disperses ultra wide sound

One mid-woofer

Integrated into the cabinet and ensures faithful playback of mid-range vocal frequencies plus deep, rich bass.

Four far-field microphone array

Uses smart voice capture and noise cancellation.

Responsive audio chime

Lets you know Sonos Move has heard your voice command and is working on a response.

Physical

Dimensions - H x W x D

9.44 x 6.29 x 4.96 inches (240 x 160 x 126 mm)

Product Finish

Shadow black with shadow black grille or
Lunar white with lunar white grille

Weight

6.61 lb (3 kg) including battery
