

# Take Brilliant Sound Outside with Sonos Move

The durable, battery-powered smart speaker for outdoor and indoor listening. Connect to your Sonos system over WiFi at home and stream via Bluetooth everywhere else to enjoy powerful Sonos sound on the go.

- Experience surprisingly deep bass, a wide soundscape, and automatic Trueplay™ tuning that perfectly balances the sound for where you are.
- Don't worry about accidental drops or unexpected weather. With a tough, durable shell and IP56 rating, Move is built to withstand accidental falls, bumps, rain and moisture, dust, UV rays, and extreme temperatures.
- Enjoy brilliant sound where and when you want, with an average of up to ten hours of battery life. Easily recharge Move by setting it on the included power base, or get power on the go by using a compatible USB-C travel charger. Move also enters suspend mode when not in use, which can preserve battery life for up to 120 hours.
- The Google Assistant and Amazon Alexa are built right-in, so on WiFi you can play music, check news, set alarms, get your questions answered, and more, completely hands-free.
- Listen to more than 100 streaming services controlled from the Sonos App, using voice, with AirPlay 2, or direct from music service apps.
- Stream over WiFi and connect Move to the rest of your Sonos system at home. Switch to Bluetooth when you're not at home or offline.

## Audio

### Two Class-D digital amplifiers

Perfectly tuned to match the speaker drivers and acoustic architecture.

### One downward-firing tweeter

Creates a crisp, clear high-frequency response that disperses ultra-wide sound.

### One mid-woofer

Integrated into the cabinet, it ensures faithful playback of mid-range vocal frequencies plus deep, rich bass.

### Four far-field microphone array

Uses smart voice capture and noise cancellation.

### Responsive audio chime

Lets you know Sonos Move has heard your voice command and is working on a response.

## Physical

### Dimensions - H x W x D

9.44 x 6.29 x 4.96 inches (240 x 160 x 126 mm)

### Product Finish

Shadow black with shadow black grille

### Weight

6.61 lb (3 kg) including battery
