

Essential Sound with Sonos One SL

The essential speaker for music and more. Get rich, room-filling sound with Sonos One SL without built-in microphones. One SL can be controlled with the Sonos App, Apple AirPlay2, music service apps, and more.

- The compact design fits just about any space. Put One SL on your kitchen countertop or tuck it away on your office bookshelf. -
- Pair with Sonos One or another One SL in the same room for stereo separation and even more detailed sound. Use a pair as rear home cinema surrounds with Playbar, Playbase, or Beam.
- Trueplay™ puts the speaker-tuning capability of recording professionals in the palm of your hands to optimise the sound for the room.
- Listen to more than 100 streaming services controlled with the Sonos app, Apple AirPlay2, music service apps, and more.
- Connect and control over WiFi to group rooms and expand your system into new spaces over time.
